Anderson Marsh State Historic Park to hold February Nature Walk & Ranch House tour

LOWER LAKE, Calif. --- Anderson Marsh State Historic Park will offer a free, guided nature walk beginning at 8:30 a.m. on Saturday, February 13th, 2016. A tour of the Historic Ranch House will begin after the walk.

Docents Gae Henry and Henry Bornstein ask participants to arrive by 8:15 a.m. so they can have time to explore the wildlife found in the ranch house yard. This walk will discuss the three-histories protected in the park (Native American, Natural and European American). Due to wet ground, the walk will probably be on the Cache Creek Trail and may need to return after reaching the deck at the creek. Participants should bring binoculars if they have them, and wear sturdy shoes and a hat.

Rain will cancel the walk. If rain cancels the walk, the tour will begin at 8:30 a.m. Anderson Marsh State Historic Park is located on Highway 53, between Lower Lake and Clearlake. For more information about the walk, email info@andersonmarsh.org or call (707) 995-2658.

About California's Drought

California has been dealing with the effects of drought. To learn about all the actions the state has taken to manage our water system and cope with the impacts of the drought, visit Drought.CA.Gov.

Every Californian should take steps to conserve water at home, at work and even when recreating outdoors. Find out how at SaveOurWater.com

California State Parks Mission

To provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high quality outdoor recreation.
